*Arcisate (VA) Italy,
october 2nd-3rd and 4th 2020
at 'DEFENSE 360° FORMAZIONE'
shooting range*

1° MATCH DIRECTOR: **Diego Silvestri**
2° MATCH DIRECTOR: **Luigi Terenghi**

Info: www.idpaeuropeanmatch.it

This year DEFENSE360°Formazione is organizing the IDPA EUROPEAN CHAMPIONSHIP 2020; a " TIER 4' competition.

WHEN:

From october 2nd to october 4th 2020
The competition begins at 8.00/8.30 am

WELCOME CEREMONY AND EXTRACTION OF WEAPONS OFFERED BY THE SPONSORS:

10.03.2020 at 7.00 pm at the STAFF's hotel. During the ceremony the weapons offered by the sponsors will be extracted. Confirmation of presence is required

WHERE:

The match is taking place at DEFENSE 360° FORMAZIONE in Arcisate (VA), located in Boccherini Street.

The range is disposed with 14 shooting areas, a big parking, a camper area and a wide area arranged to welcome shooters.

Plus code Google Maps: RVVP+X9 Arcisate, VA

Use this code as an address to look up a place with a plus code.

1. Open Google Maps
2. Insert the plus code in the search box

STAFF:

the members of the staff are doing the pre-match on thursday, while the shooters will be able to decide among friday, saturday or sunday.

Who wants to participate as a member of the staff have to sign up, from 01.01.2020 to 01.31.2020, filling in the form available at www.idpaeuropeanmatch.it, respecting the following terms and conditions and waiting for the confirmation of the convocation.

The international staff must grant a good knowledge of the english language.

For the members of the staff the match will be free. It is also guaranteed the accomodation in a 4* hotel, from thursday to saturday (only in double-bed rooms), lunch at the range and dinner at the hotel. A gadget will also be given to the members of the staff to thank them for the hard work.

The C.S.O. staff must show on wednesday september 30th by 1.00 pm at the range.

The PSO and SSO staff must show on thursday october 1st at 9.00 am at the range.

The STAFF with the role of P.S.O. ans S.S.O., are going to be accomodated from wednesday september 30th if coming further than 300 km.

REGISTRATIONS AND PAYMENT:

Registrations and participants list on:

www.idpaeuropeanmatch.it (link leading to www.practiscore.com)

Registration for the match will take place with 5 different priorities:

- 1 Shooters (no minimum number for team)
- 2 TEAM (of 9 shooters) International
- 3 MASTER
- 4 REMAINING SHOOTERS
- 5 NOVICE class IN WAITING LIST

STAFF REGISTRATIONS FROM 01.01.2020 TO 31.01.2020

The staff member list will be published within February 16th. Those who are not put into the staff member list, if they mean to join the match as shooters, will have to sign a regular registration at the website www.idpaeuropeanmatch.it (link in www.practiscore.com).

Registration of INTERNATIONAL SHOOTERS from February 20 (at 8pm) to 26 (at 10am) 2020.

They will be assigned 5 squads for Friday, 5 for Saturdays and 5 for Sunday. A waiting list will be created in case the places run out.

The "International" shooters will be reunited into the available squads.

Registration of TEAMS from March 1st (at 8pm) to March 8 (at 10am) 2020.

Each TEAM must have at least 9 shooters and they will have an only contact person. They will be assigned 6 squads for Friday, and 3 for Saturdays.

TEAMS registrations must take place by sending an email containing NAME, SURNAME, IDPA nr, DIVISION, CLASS, SUB CATEGORY SERIAL NR of GUN, GUN CARRY LICENSE nr and EXPIRATION of each component, at this address: info@idpaeuropeanmatch.it

For the assignments of free squads, the time of sending the email will prevail.

Registration of SHOOTERS with MASTER class from March 9 (at 20 pm) to March 15 (at 10am) 2020.

They will be assigned 2 squads on Sunday.

Registration open to ALL SHOOTERS from March 16 (at 8pm) to March 29 (11 am) 2020.

The "Novice" class shooters will be able to register only in the waiting list for the vacant places from March 30.03.2020 at 20pm

Registrations will be published on the website www.idpaeuropeanmatch.it (link in www.practiscore.com).

The registration fee amount is €110, that will be sent to the following current account by one week from the registration:

BANK: UBI BANCA

IBAN CODE: IT97J0311110818000000000878

DESTINATED TO: DEFENSE 360° FORMAZIONE S.S.D.R.L

Motivation: "European Idpa – name and surname, division and class"

SWIFT BIC: BLOPIT22

BRANCH: VARESE BIZZOZERO

PAYMENT WITH PAYPAL WILL BE POSSIBLE WITH A LINK ON PRACTISCORE.COM WEB SITE

The direction is reserving the faculty of calling off the reservation in case of missed payment by 10 days from the registration date.

Changes in divisions or squads after 07/10/2020 WILL NOT be admitted in any case. Before July 10th every shooter will be able to make those changes in division or squad on his own at the website www.practiscore.com.

Withdrawals taking place after 06/01/2019 will not be followed by the refund of the fee.

Withdrawals communicated by the abovementioned date will be followed by the refund of the fee minus 20 euros.

Into the registration fee is included the event T-shirt (which size must be chosen in the registration form) and lunch during the match (1 sandwich and a soft drink)

MATCH:

The match is developing in one day, 13 stages plus 'crono'.

The requested rounds are **194**, it will be sanctioned **TIER 4**, which is why the check of the guns, of the equipment and the chrono test of the ammunitions is mandatory. This test will take place in a dedicated stage

The equipment check will be done at the first stage.

The rounds' withdrawal will be done during the match.

It is the shooter's liability to guarantee that the gun, the equipment (vest, belt and shoes included) and the rounds respect the conditions required by the rulebook.

If you don't respect any of the rules defined by the rulebook, a DNF will be applied.

SSP-CDP-CCP-REV-PCC-CO-BUG divisions and every shooters' classes (Novice included) will be accepted.

The sub-category are listed in the registration form (only one sub-category will be accepted).

For the PCC division the magazines must be used with a maximum of 10+1 rounds, as the 'load as division' condition.

FMJ ROUNDS ARE ALLOWED.

SAFETY RULES APPLIED AT THE RANGE:

The range is a IDPA 'Cold Range'.

Every shooter must follow the rules applied by the Italian Law, which regard the transport and the use of weapons and rounds.

The organization declines every liability for its violation.

The access into the Bay is allowed to the shooters only during the chosen turn, while the access to the visitors are is always allowed.

Everyone who enters the range must wear acustic and visual protections.

The organization declines every liability for damages caused by the negligence of the respect of these safety rules.

Children or minors must always be supervised by an adult.

Weapons must be handled only in the 'Safety Areas' and inside the Bays, always under the direct supervision of a SO.

Handling a weapon outside these circumstances implies the discualification of the shooter from the match.

Aiming the safe muzzle point over the down range and / or over the security lines described in the courses of fire, implies the desqualification from the match.

RESTORATION SERVICE:

The facility is provided with a BAR service on the range, that can offer toasts and soft drinks.

On Friday and Saturday at 7.30pm is taking place the welcome ceremony, at the restaurant in the STAFF HOTEL, with the local medias.

At 20.30 there will be a group dinner with a menu consisting of 1 appetizer, 1 first course, 1 second course with side dish, fruit + ½ L water ½ L wine and coffee at a cost of € 23.00 (free for the staff).

The reservation is mandatory through the mail: mice.varese@gruppouna.it

SANITARY FACILITIES:

Bathroom services are provided into the shooting range.

ADVICE:

Arriving the previous day at the shooting range is recommended to all the shooters, or, at least, with a reasonable advance, in order to provide for the registration, the prices lottery, T-shirts and gadgets.

The equipment check is taking place in the first stage. If a shooter has any doubts about the lawfulness of his equipment, the shooter is invited to ask for an anticipated check to the M.D.

Barrells and containers will be placed on the range to contain litter, and it is recommended to use them.

Once a stage is completed, the shooting team will move together to the next stage. Everyone must always follow the rules given by the Safety Officer for the access into the Bay.

Only at the end of the daily shooting round will be permitted the brass collection.
