

Match Director's Message

Dear friends,

Welcome to the annual appointment with the Nike Challenge!

Also this year, under the spread wings of the goddess of victory, an explosive mix of defensive shooting awaits you with real evidence of shooting skills but also the opportunity to celebrate friendship and camaraderie together with many other sport shooters.

We wish you a weekend of great fun in safety!

For the Phalanx Shooting Team

George Varoutsas

REQUEST CANCELLATION AND REFUND

After this date there will be cancellation from the match without further notice.

The shooter must be in good standing with IDPA affiliation and classification, otherwise he will be excluded from the

final classification and will not be entitled to any refund for these failures.

The request for cancellation and refund of the fee, if made by 10/6/2022, will give the right to refund minus € 10.00 for management costs. From 11/6/2022 to 30/6/2022 the fee will be reduced by € 30.00 and after that date there will be no right to any refund except in case of renunciation due to proven force majeure.

WAITING LIST

Those who do not find space in the slots will be able to register on the waiting list for Saturday 23 and Sunday 24 July.

Any subsequent entries on the grid will be made in chronological order of registration on PractiScore.

DIVISION / CLASS CHANGE

Division or class changes can be made directly by the shooter via the link he receives from PractiScore upon registration, until June 27, 2022.

RULE 180 ° - MUZZLE ELEVATION

Except where otherwise specified in the description of the stage, all CoFs will use the 180 ° rule for the horizontal

plane and the height of the side berms for the elevation of the muzzle.

The exception is the reload with open cylinder for revolvers and the emergency reload with the slide open and the finger visually out of the trigger guard. With the cylinder / slide closed, the muzzle must be within the safety limits indicated, under penalty of disqualification (DQ).

COLD RANGE

Weapons can only be handled in the appropriate Safety Areas and inside the bays under the direct supervision of a SO, therefore handling the weapon outside the aforementioned circumstances will result in immediate disqualification (DQ) from the Match.

OTHER RANGE SAFETY RULES

All shooters must comply with the Italian laws in force which provide for the transport and use of weapons and ammunition. The Organization and the management of the shooting range decline any responsibility for their non-compliance.

It is advisable to have RC insurance (civil liability).

Access to the inside of the bays is allowed to shooters only during the chosen shooting round, while access to the range in the visitor area is always allowed. All those entering the shooting range must wear visual and hearing protection.

The management of the shooting range will not be liable for damage caused by negligence in compliance with the aforementioned safety rules. Children or minors must be supervised all the time by an adult.

LOST BRASS

For reasons of fluidity of the match it will not be possible to collect your own cartridge cases. However, this can be done at the discretion of the SO of the stage and only at the end of the group round if in the meantime the next group of shooters will not be presented yet.

15 minutes after the last shot of the match round, the stages must be evacuated to be restored for the day after or for the end of the match.

AMMUNITION

In Italy 9x19 ammunition is now allowed.

Ammunition is in the responsibility of the shooter. Free use of any type of bullet.

ARMORY PRESENT IN THE RANGE, AVAILABILITY TO PURCHASE AMMUNITION.

BAR AND RESTAURANT PRESENT ON THE RANGE

THE ANTICOVID MEASURES WILL BE THOSE INDICATED BY THE GOVERNMENT INSTRUCTIONS IN FORCE DURING THE MATCH PERIOD.

Any additional documents required to affirm participation in the match will be indicated by the Organizers and uploaded to this site among the match attachments.
