Berserker Experience - name surname division"

At the time of registration it is possible to book lunch on the field during the match (sandwich + drink) at the price of 5€ to be paid at check-in

Changes of division or team after 14/04/2024 will only be permitted in exceptional and justified cases; for withdrawals made after 14/04/2024 no refund will be granted, while for withdrawals made from 17/03/2024 until 13/04/2024 the fee of €25 will be retained

All shooters must be in compliance with the Italian law in force regarding the permits to carry/transport weapons and the use of permitted calibres. The organization of the match and the management decline all responsibility for their non-compliance.

Ammunition NOT purchasable on the field, by the shooter (free use of any type of ball), with the exception of those necessary to carry out the exercise with backup gun which will be provided by the organisation.

PCC admitted with obligation to carry in case with Flag inserted or on trolley with Flag inserted and muzzle pointing upwards

The range is IDPA Cold Range.

180° lateral safety angles and height of the berms in elevation.

Access inside the Bay is allowed to shooters only during the walkthrough and their shooting turn.

All those entering the shooting range must wear glasses and hearing protection; minors accompanied by their parents.

Weapons can only be handled in the appropriate "Safe Areas" and inside the Bays under the direct supervision of a SO, therefore handling the weapon outside of the aforementioned circumstances will result in immediate disqualification (DQ) from the Match.

Muzzle out of the safety points is prohibited and will result in disqualification (DQ) from the match.

In addition to the cases provided for by the regulation, the accidental shots in the direction of an area where there is no presence of CoF structures and without the presence of a target, involves disqualification (DQ) - exemption approved by IPOC.

AIWB HOLSTERS NOT ALLOWED (carry appendix) (Match Administration Rules M-1.6.7)

The choice of only one sub-category is allowed (Match Administration Rules M-5.4)

Awards according to regulations; they will begin within 1 hour of the end of the match
